

Dear Juniors and Parents/Guardians,

Your paper and electronic copies are due JUNE 16, 2010

Make sure your paper contains:

1. Citations
2. Proper heading
3. Page numbers
4. Correct font
5. Double spaced
6. Punctuation and capitalization
7. Works cited page
8. ELECTRONIC COPY (via flash drive, email, or Google docs (share with jalon@truebright.org))

All format questions and instructions can be found in your research paper guide.

IF YOUR EMAIL OR GOOGLE DOC DOES NOT COME THROUGH IT WILL NOT BE COUNTED ON TIME. Try to send it a day or two early to be sure it comes through.

You cannot email me your paper copy. You must bring it in. No fancy covers or cover pages are needed. Just staple your paper and your works cited page together and submit. If you are not here, please send it with someone. There will be a 10 point penalty per day for each day that your paper is late. *If you submit your paper copy and not your electronic copy, it will not be counted as being turned in on time, and therefore, will be assessed the 10 point per day late penalty.*

Look at your rubric to see how you will be graded.

Remember, your paper will be scanned into anti-plagiarism software. If it is plagiarized it will be counted as a zero and will not be graded. There will not be an opportunity for you to redo this assignment.

Sincerely,

Mrs. Jalon
